

## **The Frink Centre now 100 acres larger!**

Quinte Conservation has acquired 100 acres of class of wetland adjacent to the Plainfield Conservation Area out of which the HR Frink Outdoor Education Centre is run. The new 100 acre parcel of land was purchased by Ducks Unlimited.

The Friends of the Frink organization played a key role in the facilitation of the land acquisition and is pleased that an additional 100 acres of environmentally sensitive lands are ensured protection!

**The Frink Centre is now over 500 acres in size.**
